II	3) Simulation Lesson (College based) 4) Simulation with ICT (at least 2+2 lessons with ICT mediation) 5) School lessons and Reflective diary	Total 2 lessons (1 in each Pedagogy subject) Total 4 lessons (2 in each pedagogy subject) Total 14 lessons (7 in each pedagogy subject)
III	6) Unit plan Based Lessons 7) Lesson under Block Teaching	At least three lessons in a Unit+1 unit test per pedagogic subject Eight lessons per pedagogic subject and one criticism lesson in each subject in three weeks duration
IV	Field work and Immersion/Internship (Teaching practice) Practical exam (Final Lessons)	50 days (Details are given in the immersion programme in the syllabus) PM-1 and PM-2

Part-B: Modalities of transaction:

There shall be mainly six broad categories of modalities of transaction and assessment to be in operation for the conduct of programme. The specificity of the course and its corresponding modality is mentioned in the table. Further details of each modality are mentioned thereafter. The details of each modality of transaction and assessment are as below:

SI No.	Modality	Courses of programme	Nature of transaction
1	Type-1	Theory courses of semester I, II, III, and IV	Class room presentations, discussions, seminars Assignments and tutorials CAI approach.
2	Type-2	Simulation Practices : A. Micro teaching B. Macro teaching C. College Based Teaching D. Use of software and open source (ICT based simulation)	Small Group activities in the College premises. Recording and reporting
3	Type-3	A. Language across the curriculum B. Research project C. Reflective Reading and Writing D. Fine Arts and Theatre	Theoretical presentations, Discussions, Demonstrations, practice under supervision, field work and report writing
4	Type-4	Lab Work : A. ICT-1 B. ICT-2 C. Psycho-social tools and techniques	Procedural details of practical competency, competency development exercises, skill assessment and recording
5	Type-5	Field Assignments/School lessons and Reflective diary A. Type 1: Theory courses B. Type 2: Simulation practices	Orientation to the assignment, providing necessary instructions, undertaking work in school
6	Type-6	Immersion/ Internship (Teaching practice)	Practicing various roles of teacher at school premises, recording and reporting

Type 1: Modes of Transactions for Theoretical Courses:

There shall be at least four periods for theoretical courses per week where in the teacher shall lead the learning either through lectures. Discussion, team teaching and any other activity where in the teaching staff will have key role in monitoring and content dealing. There can be additional classes for seminar and student activities related to the paper in noon session. There

shall be assignment and periodical test s related to the theory and shall be consider for internal assessment. Seminars, discussions, hands on experience shall be extended contextually.

The list of theoretical courses is as listed below.

Type 2: Simulation Practices:

These are the activities already in practice in different Universities. They are to be done in the institute campus using facilities available in the institute. The necessary organizational facilities, infrastructure is provided to the student teachers. There can be group of ten students that can be attached to each teacher educators for guidance and submission of report and reflective session. Some of the tasks can also be given for completion in the group of two or three student teachers.

- a. Micro teaching:
- b. Video lesson observation and criticism
- c. Skill Integration lesson presentation with peer group
- d. ICT mediated lesson with peer group
- e. Video recording lesson of peers in simulation classes
- f. Concept analysis and presentation on subject content

Video lesson Activity:

Observation of video lessons: Each student-teacher has to observe at least two video recorded lessons of experts and prepare observation notes. Format of observation has to be supplied by the teacher educator.

Sl. No	Course input / Exam scheme	Credits	Assessment Marks			
			Internal	External	Minimum	Total
1	Microteaching and Integration	1	25		10	25
2	Simulated and ICT based Lessons	2	50		25	50

4	Reading and reflecting	2	50		25	50
	Total	5				125

The Teacher Educators has to demonstrate the competencies and its contextual use, allow the students to practice for mastery.

Type 4: Lab Works:

ICT-1: ICT Basic- One Credit

ICT-2: ICT application- Two Credits

Psycho-social tools and techniques: One Credit

The lab activities are intensive systematized task activities to be taken under the supervision of teacher educator within the institute campus. TEI's are expected to establish required labs with infrastructure and equipments.

Sl. No.	Course input / Exam scheme	Credits	Assessment Marks

ICT will have activities that will equip the student to use computers, camera, and video camera. Audio recording, computer software's, research and data analysis software, digital publication activities, web related activities and any other advances that are useful and related with empowering teachers and teacher educators.

The list of activities to be done in the ICT lab shall as listed in the practicum list of the syllabus. There shall be two types of activities.

Set-A shall have following procedure (Individualized in lab work)

- a. Orientation for 15 to 20 minutes.
- b. Demonstration of the activity.
- c. Presenting the details of the exercise by the student.
- d. Exercise practice and output print if necessary.
- e. Writing the details of the activity in the journal and submission for the tutor's signature.

Set-B shall have following procedure: (In lab with work presentation)

- a. Orientation for 15 to 20 minutes.
- b. Demonstration of the activity.
- c. Presenting the details of the exercise by the student.
- d. Working out the exercise and presenting the material to the small group for feedback and discussion.

Some of the ICT mediated activities to be undertaken are: Basic Competencies:

1. Use of word spread sheet and related office applications
2. Development of Power point presentation.
3. Nudi Kannada software keying.
4. Web search and email use.
5. Video recording, audio editing and providing back ground voice adding
6. Using still camera for creating of picture files and use for teaching.
7. Use of graphic soft ware.
8. Searching of open source material and use.

Additional Activities:

1. Write a report on the features and use of smart board in teaching-learning.
2. Collection of e-resources and Reporting.(Text-Books, Articles, Reports, Theses; Audio and Video Files related to educational technology)
3. Critical review of UNESCO ICT Competency standards for Teachers-2008
4. Write a report on INSAT programs.
5. Developing Educational blog in www.blogger.com , www.wordpress.com
6. Develop the news groups and report.
7. Comparative study of ICT syllabus of School Education and Teacher Education of Various organizations
8. Evaluating Educational broad casts in the Radio/T.V
9. Evaluation of websites related to educational programmes.
10. Creating an account in Wikipedia/wiki educator/wiki spaces and adding/editing content.
11. Creating an Account in Teacher tube/slide share and sharing your video/PowerPoint. View and comment on others contributions.
12. Use one of the Concept map tool (free mind, VUE) and write a report.
13. Use one of the E-book Tool (Sigil, caliber) for creating and editing books and report.
14. Preparation of CAI for classroom learning.

Type 5: Field Assignments/School lessons and Reflective diary

1.	School Lessons and Reflective Diary	2	50		25	50
2.	Field Assignments	1	25		10	25
3.	School Lessons and Reflective Diary (Block teaching)	1	25		10	25
Total		4				100

Type 6: Field work/Immersion/Internship (Teaching Practice) and Practical exam (Final lesson)

Sl. No.	Course input/exam scheme	Credits	Assessment Marks			
			Internal	External	Minimum to Pass	Total
1	Field Work and Immersion/ Internship (Teaching Practice)	6	150		60	150
2	Practical Exam. (Final Lesson) Method-I Method-II	2		50	20	50

The TEI will have resources in terms of required equipments, psychological tools, computers software etc. If necessary a cubical with one way screen needs to be developed to use for student viewers on activities like counseling parents, teachers, and other stake holders. The rooms are an essential asset to observe and develop the counseling skills and see the effect of counseling on beneficiary.

Under this scheme each student shall complete all the assignment listed for the academic term as per the decision of the University. There shall be at least four indoor assignments and four outdoor assignments for this course. The BOS shall evolve a list of assignment, improve upon and notify accordingly. Some of the sample assignments are listed below:

A) Lab assignment:

1. Tabulating the raw scores and processing the data of any one psychological tool with the help of manual with a group of 40 students' scores (Dept may evolve the draft and keep ready for use)
2. Conducting counseling on issue related child/teachers recording the session and analyzing in terms of potential change, misgivings, ability of communication etc.
3. Administering a psychological test of performance based on a unit in the lab and reporting.
4. Identifying the random choice of items and degree of achieving scores by experimenting with peer as subject of study.

B) Field assignments:

1. Visiting schools and generates the socio-metry results through socio-metry software and use them for interpretation and insight on class room dynamics.
2. Testing intelligence/creativity of at least five children from school and reporting with the scope to use the results for the beneficiary.
3. Evolving diagnostic remedial testing material and identifying the needs in the dimensions of academic, physical growth, psychological change, social competency etc of school children.
4. Case study of extremities like weak child, alienated child, genius, differential able child and finding out the needed inputs.
5. Identify dyslexia cases if any from lower classes and provide strategic inputs to the child.
6. Test for color blindness and other readability problems of a class students and report the findings to class teacher.

Field Work:

(To be taken during Semester III and IV during Engagement with Field Work Sessions) Under this mode there will be set of assignments to be undertaken with the guidance of assigned teacher. All the assignments are to be undertaken during school visit and immersion period. The required theoretical orientation needs to be arranged in the lecture classes. The candidate has to visit the field and undertake the work and present the report. If required the intermittent

assessment by guide will be done through group discussion and individual presentation. Some of the specimen assignments are listed below:

- a. Development of specific theme based lesson plans and teaching in vivo (real class room situation) or in vitro (college based situation). Student has to design a lesson to be video recorded and edited if required and should be presented as pedagogic exemplary on a specific approach, method or technique.
- b. The student has to select one institute to study a theme (Ex: discipline, inclusiveness, value inculcation, school cleanliness etc) and should present the report along with the scope for futuristic improvement. This has to be data based and has to be original in its nature.
- c. The teacher shall study at least three unique types of students as case study. They may be the case of differentially a bled, slow learners, genius or of unique nature.
- d. The student shall visit either DIET or any Teacher Education Institute and will observe ten randomly chosen lessons of teacher educators, and prepare a quality assessment report with merits and demerits. The student shall select one programme in operation, such as: School Day, Science Exhibition, Pratibha Karanji, Ba Shalege, National festival day, etc and document the event asses the status and present a report for its improvement.
- e. The student shall select any one issue of the National/State policy and observe the implantation and effectiveness in selected three to five institute and report as document.
- f. Any other activity similarly designed and notified by the University. For development of and reporting the student shall use all the ICT skills that he has learned in the first two semesters and will present with multimedia digital form as far as possible. Some of the schemes of Assignment for XI -XII Pedagogic Courses in the fourth semester are listed below:

School Intervention Competency Development (SIC-D):

Under this assignment each student will undertake intervention activity in the school. For this purpose there will be orientation on various aspects of intervention. Some of the themes are presented below:

- a. Identification of poor resources utility and its optimization.
- b. Introducing to updated pedagogy and TLM and experimenting.
- c. Evolving activities for Higher Secondary School/ Secondary School and incorporation to inculcate the inputs for the neglected components of educational policy.
- d. Strengthening the programme presently undertaken by the Government at school

level so as to improve the quality. Every student will decide upon the programme after visiting the assigned school and do a programme planning after consulting the stake holders and cooperating partners of the programme. After the approval of the guide the programme will be implemented in a school/college for a limited period of about a month. The details of the intervention should be reported. If required the same may be presented in the group discussion class.

A few more suggestive activities:

Systematic study of problems from subject areas through collection of information from different sources –one Practicum in each subject - Records/short reports to be maintained.

Capacity Building Program:

The aim of the activity is to equip student teachers to face the challenges of classroom situation in a multicultural society and also uplift the quality of teacher education in par with the global standards. Any activity that can enrich the student teacher by considering the individual potentialities of learners can be undertaken. Group Practicum-video script: Developing, enacting, recording and uploading one video script based on a single theme. The task can be undertaken in groups with 3 to 5 members.

Seminar/presentation:

The student-teacher has to take up either a seminar or any presentation to show his active involvement in the classroom transaction. The participation/involvement of the student in classroom activities have to be assessed by the teacher using criteria self developed.

Subject association activity:

Participation/contribution and reporting of the student-teacher in the subject associated activities organized weekly in pedagogic groups.

Reading and reflecting context:

The aim of this course is to enable student teachers to enhance their capacities as readers and writers by becoming participants in the process of learning and to respond to a variety of texts in different ways and also learn to think together. The aim is also to engage with the readings, interactively-individually and in small groups. Each student teacher is expected to read

variety of texts, including empirical, conceptual and historical work, policy documents, studies about schools, teaching, learning etc. and to prepare reflective notes. Reflective session on themes may be organized regularly.

Multiple Choice Questions:

MCQ Test Battery: The student-teacher has to prepare Multiple Choice Question Test batteries with 40 items each covering the syllabi based on one of the specific Units. This assignment should be mandatory for Higher Secondary Student teacher.

Assignment:

Teaching Learning Material Development: The B.Ed student shall undertake development of TLM under this assignment. The student will be assigned with a guide for this purpose. The TLM can be on any of the following levels.

a. LPS/HPS Curriculum subjects.

b. Sec school curriculum subjects.

c. Learning and teaching issues proposed in the national and State educational policies. In special occasion in consultation with guide TLM can be for Higher education courses. The developed material should be original in nature, by the candidate. It should not be the copy of already prepared by someone. The material may have multimedia, activity centered, or any other format according to certain principles of learning-teaching strategies. The TLM should be a complete package with objectives, material, implementing strategy, testing material and assessment procedure. The developed material needs to be tried on a small sample and the report of its effectiveness should be in the form of a report. The report with the approval of guidance should be submitted and also be presented in the pedagogic classes.

List of the Practical Work:

List of the Practical Work to be taken during Internship: The detailed procedure is provided in courses details of immersion Programme. Some of the practical's to be taken during the course are:

Teaching Aid

Book Review

Blue Print (Subject - 1)
Action Research / Case Study
Literacy Programme
Co-curricular Activity
Organization of Parental Programme Analysis of Result of any one class.
Psychological Testing
Observation of Experienced School Teachers
Viva & Co-curricular Activity
Education Forum
Project Based Learning

14. Mandatory Institutional Requisites.

Appointment of Academic Head:

He/She is the head of the B.Ed Programme with qualification required equivalent to a Principal of B.Ed Institute as per NCTE, State, UGC and Norms. The person has to be appointed by following the procedure similar to the appointment of Principal to college /to a Professor in the University. In case of non-availability of such person a senior faculty member with qualification required equivalent to a Assistant Professor as per NCTE, State, UGC and Norms. The person has to be appointed by following the procedure similar to the appointment of Assistant Professor to college/University. He/She shall be solely responsible to conduct the B.Ed. Programme and all correspondence with the University, State and NCTE.

Academic Resources:

For the conduct of all the academic programme, examination work, practicum cum Internal Assessment activities, internship, field based activities etc., shall be taught, supervised and monitored by the qualified staff. The staffs have to be approved from the University as per the NCTE and UGC norms. The curriculum transaction mode (CTM) prescribed and the Internal Assessment monitoring guidelines and conditions laid down by the University has to be strictly adhered. All I.A activities need to be recorded stored systematically and shall be approved by the requisite approving body before forwarding marks to the Registrar (Evaluation) of University.

The institute should have the entire necessary infrastructure as specified by NCTE and the University from time to time. The Institute shall be open for inspection as and when demanded by the University, TERM Cell, STEM Board of the State, DSERT and authorities appointed from time to time by the State and University authority.

Academic Records:

These are the records such as attendance report of students and teachers, teaching records, office maintenance records and assessment record. They should be in the possession of academic head and should be available for inspection whenever demanded by NCTE and University authority.

15. Monitoring Academics and Assessment Board (MAAB):

(Internal Assessment Examination Work)

There shall be a Monitoring Academics and Assessment Board for moderating continuous assessment marks of I, II, III and IV semester candidates. The BOS chairman (B.Ed) in Education (UG) shall constitute Monitoring Academics and Assessment Board (MAAB) for every year on rotation basis and get approved from the University through the Registrar Evaluation. The Board shall consist of:

- a) The Chairperson Board of Studies (B.Ed) in Education (U.G)
- b) Two Academic Head/Principal (B.Ed) from TEI, fully qualified and appointed on permanent basis, approved by University based on rotation cum seniority.
- c) Two senior members from teaching staff of TEI, fully qualified and appointed on permanent basis, approved by University on rotation basis.
- d) The Academic Head/Principal of the respective TEI (B.Ed. College) shall be the member, only for his/her TEI (B.Ed. College), fully qualified and appointed on permanent basis, approved by University
- e) On the event of the number of Colleges of Education increasing beyond 25, one more MAA Board shall be constituted.

Note: However the chairperson (BOS) in UG (B.Ed) shall constitute additional boards as per the above procedure for every year tagging odd semesters and even semesters respectively

but the additional board/s shall be headed by a coordinator from P.G Dept. of Education, from GUK in the cadre of Professor/Associate professor. In case of non-availability of professor/Associate professor, the senior most principal of affiliated colleges who is qualified and approved from the university as per the new NCTE norms shall only be considered on rotation basis for a period of one year.

The Principal in case of colleges/Institutions shall submit the consolidated list of continuous assessment marks of all candidate of the program of I, II, III, IV semesters to the committee to verify the academic records, attendance records and moderate the continuous assessment marks. The board shall have the powers to go through any records as well face to face interaction with the candidates pertaining to internal assessment and it shall have the power to modify internal assessment marks in case where fair assessment is lagging and modified list of the candidates shall be submitted to the respective committee and committee chairman in turn shall submit to the Registrar Evaluation. The Board of Studies B.Ed (U.G) shall prepare the procedure of monitoring the IA and get the approval from Academic Council. The advisory note of the STEM board shall be mandatory whenever circulated to the university as and when provided so as to maintain inter university standard.

Mandatory conditions to be observed and followed in relation to MAA board visits:

1. All the I.A activities are compulsory and must conduct the activities and prepare the records and present the same during the viva-voce by the trainee himself/herself in the language she/he offered. Failing which his/her I.A marks shall not be approved and be considered as incomplete records and summarily treated it as absent.
2. All the I.A activities to be supervised/guided by a full-time qualified and approved teacher in the concerned subject/activity regularly as per the university schedule.
3. All the I.A activities to be conducted and prepared in the formats approved in the BOS and as per the course regulations.

13. The board shall verify all the original records of all the students and teachers and conduct viva-voce for the randomly selected 10 to 15% of the total strength considering all the pedagogic subjects into account.

The main objective of the board visit is to ensure equal justice among all the colleges and encourage meritorious teacher trainees and suggest for further good training. The board has to certify whether all the teachers have acquired teaching competency, skills and professional ethics i.e cognitive, affective and psychomotor aspect of the training course.

14. Where there are no qualified teachers approved from the university/No classes and I.A activities conducted as per the course regulations such college/s status

report shall be reported to the examination section and thereby the matter will be referred to the Academic Council for final decision.

15. The MAA board visits shall be conducted one week well before the commencement of the theory examination for every semester.
16. The colleges should keep ready the following records for MAA board inspection- 02 sets of consolidated I.A marks list based on all the original records of I.A, conduct and assessment records of all the practicum activities, original ledger for having consolidated I.A marks of all students duly signed by the teachers concerned, All teachers diary, observation records, valued test answer scripts, seminar and assignments records and question papers, time-tables of all the I.A activities, permission letters from the BEOs and other video recordings and reports related to I.A activities etc.,
17. Other details of guidelines for governing moderation process shall be worked out in the BOS and be oriented to all the teaching staff
18. One day before commencement of MAA board visits, all the MAA boards members and coordinators shall meet under the BOS chairmanship for deciding and fixing and grouping of all college averages in terms of 03 ratings as A, B & C grades with respective ranges of college average percentages and maintain the proceedings for having conducted the pre and post board meetings. The pre and post board meeting dates shall also be considered as OODs for the members and coordinators for claiming allowances as per the university rules.
19. Maximum 04 local colleges and 03 non-local colleges be allotted for each board per day for the first and second semesters. If two semesters are running simultaneously i.e. I/III and II/IV maximum 03 local colleges and maximum 02 non-local colleges be allotted by tagging I/III semester and II/IV semester for each board per day.
20. The viva-voce for selected students and verification of all the records of students and teachers shall be done in the physical presence of all the approved teaching staff.
21. The content matter of viva-voce shall be the theory and practical aspect of each activity related to perspective, pedagogic and specialization papers.

16. Assessment and Evaluation:

The Panel of Examiners who are fully qualified and appointed on permanent basis, approved by University for B.Ed shall be prepared by the Board of Studies in Education. The Board of Examiners will be constituted by the

University from the Panel of examiners for B.Ed programme. The Registrar (Evaluation) shall conduct the examination and declare the results.

Internal Assessment:

Each Course normally, would have two components- the Internal Assessment and the Term End Examination (TEE). The Internal Assessment (IA) marks are based on continuous internal assessment in a continuous mode. The total marks for the Internal Assessment shall be based on the marks assigned for IA component of the course. For all the courses the split of marks for IA and the marks for Term End Examination (TEE) are presented in the schematic table present in the course detail table.

b. The purpose of IA is to ensure that there is continuous Internal Assessment throughout the semester. The Internal Assessment in each semester would have components distributed right across a variety of activities.

c. The various components of Internal Assessment Marks in each theory paper normally are as follows:

Activities	Marks	Activities	Marks	Total Marks
Session Test -1	5 Marks	Session Test-2	5 Marks	10
Assignment	5 marks	Seminar	5 Marks	10
Total	10 Marks		10 Marks	20

The first component (Session Test) of assessment is for ten marks. This will be based on session test of two hours in case of theory and submission of assignment report based on core papers within one month from the date of allotment (5marks for Session Test and 5marks for assignment). This assessment and score process should be completed after completing 50 percentage of syllabus of the course/s and within 45 days of each semester programme.

The second component of assessment is for ten marks. This will be based on test and seminar. This will be based on session test of two hours in case of theory and preparation and presentation of seminar based on core papers and with duration of one hour (5 marks for Test and 5 marks for seminar). This assessment and score process should be completed after

completing 50 percentage of syllabus of the course/s and within 45 days of each semester programme.

The Principal of the institute with the approval of the staff members shall notify the time table for session tests on the notice Board. The teacher shall set and evaluate the test paper. The evaluated course marks of all the tests, seminars and field assignments shall be taken into account for the compilation. The marks list should be notified on the notice Board as feed back to students. The respective Principal of the College shall submit all the records (duly signed by the respective teachers) of internal assessment activities and the marks lists in specified sheets as per the calendar of events provided.

In case of candidates who wish to appear for improvement examinations, if any, the marks obtained in the Internal Assessment shall not be revised. There is no improvement in the internal assessment.

The records of all the internal assessment activities shall be maintained for one year and/or till the candidates' opportunities to reappear (attempt) are exhausted.

The consolidated Internal Assessment marks statement shall be submitted to the Registrar (Evaluation) through the chairman of MAAB.

Thus, the marks for each course shall be continuous assessment and conduct of examinations.

Sl. No	Marks for each course	Marks
01	Total marks for each course-Theory	100 and 50
02	Continuous assessment for 100 Marks	20
03	Continuous assessment for 50 Marks	10
04	Term - End -Examination	80 and 40

17. Successful Completion of Programme:

All the program/courses carrying credits should be compulsorily attended by all the candidates for the successful completion of the course. Only such candidates are permitted to register for the Semester End University examination.

- (i) Candidates who have completed the requirements of practical work related to theory and other components of the Semester and registered for the Semester End University examination alone will be allowed entry to the next Semester.
- (ii) The moderated marks and respective grades of internal assessment (Theory & Practical Courses) during each Semester have to be forwarded to the University by the institutions through MAAB within stipulated time before closing of the semester in manual/printed as per University procedure.
- (iii) Practical work related to Perspectives in Education (Core) and Curriculum and Pedagogic Courses (Optional papers) EPC & other Practical Courses/Engagement with the field (college, school and community based) have to be compulsorily attended by all the student-teachers to be eligible for appearing for the Semester End University Examination. The entire Practical during Semester I, II III & IV will be assessed by teacher educators internally. Records/reports/products related to theory and Practical courses have to be prepared and maintained. They are to be made available for assessment, if demanded.
- (iv) The grade and the grade point earned by the candidate in the subject areas given below:

P	G	GP = V x G
90-100	9 (A++)	V X 9
80-89	8(A+)	V X 8
70-79	7(A)	V X 7
60-69	6(B+)	V X 6
50-59	5(B)	V X 5
0-49	0(C)	V X 0

Here, P is the percentage of marks secured by a candidate in a course which is rounded to nearest integer. V is the credit value of the course. G is the grade and GP is the grade point.

If G = 0 (C), (GP=0) then the course is automatically considered as PENDING. He/She is not said to have failed in the course. Overall Cumulative Grade Point Average (hereafter CGPA) of a candidate after successful completion

of the required number of credits as predetermined for the programs under various faculties is given by the ratio of the cumulative sum of the Grade points earned by the candidate during all the semesters to the cumulative sum of the credits specified for the entire program. Where, GP denotes the grade points earned in the course;

'V' denotes the credit value specified for the course.

Final Grade Point (FGP) shall be awarded on the basis of CGPA of the candidate.

CGPA	FGP
$8 > \text{CGPA} < 10$	1
$6 > \text{CGPA} < 8$	2
$5 > \text{CGPA} < 6$	3

18. Issuance of Grade Certificate:

On successful completion of a given program, the University shall issue to the student consolidated marks statement, with details of CGPA score and the actual percentage of aggregate marks secured in all courses of the program on payment of the prescribed fees by the student.

19. Provision to pass:

- i) A candidate who **has passed in 'Theory'** but has not completed **or failed in 'Practicum'** shall be permitted at his/her option to carry forward the marks obtained in **'Theory'** to three subsequent semester examinations.
- ii) The candidate is required to revise his/her grade in the **'Practicum'** only in areas he/ she has not completed **or failed**. Candidate exercising this option shall be eligible

- for the grade.
- iii) A candidate who fails in '**Theory**' and fails in '**Practicum**', shall be required to put in 50% of attendance in the subsequent year with the permission of the university at the college which he/she appeared for the University Examination and completes the work of practicum and reappear for the theory course examination.
 - iv) The candidate has to complete the B.Ed programme within three years from the date of admission and no extension is permissible as per NCTE norms.

20. Pending Courses:

In case a candidate, theory course, securing less than 32 percentage points out of 80 percentage points in C3 (i.e., 40% of total marks assigned for C3) secures more than 32 percentage points out of 80 percentage points in C3 but less than 50 percentage points out of 100 percentage points in C1, C2 and C3 put together, the candidate is said to have not completed the course and he/she has to utilize **pending** option. The candidate with pending option shall complete C3 component before the completion of three years from the date of admission by reappearing only for C3 component of that course and he/she carries the same marks awarded in C1 and C2. The candidate has to earn at least 50% of the total credits (courses) specified for First and Second Semester of the programme in order to proceed to the Third Semester. The tentative/ provisional grade card will be issued by the Registrar (Evaluation) at the end of even Semester indicating the courses completed successfully.

21. Reappearing for assessment:
