- ✓ To supplement and complement the curricular activities
- ✓ To develop the various facets of personality.
- ✓ To strengthen the classroom activities.

Education without co-curricular activities is like educating the mind without educating the soul. Co-curricular activities are the activities through which a learner explores his abilities, eradicates his weaknesses and creates a broader vision of life. Our institution conduct co-curricular activities for student-teachers as it is the part of B.Ed. curriculum. Co-curricular activities will be conducted in every semester. Students are grouped into five teams and it is named differently. Every house has to host the programme. The program such as Prarthana geethe, Folk songs, Poetry and its interpretation, Folk Dance, interesting field, Pick and Speech, Traditional dance, Drama, Debate, Solo dance etc., will be organized. It is mandatory for all the student teachers to take part in the CCA and it is very necessary for the budding teachers.

Outcome of the Activity:

- ✓ Provided a platform to express talent.
- ✓ Strengthened the classroom activity.

In our institution mentoring system has been introduced in the academic year 2017-18. For establishing a better and effective relationship between student teachers and faculty, also continuously monitor counselling and guiding the students in the educational and personal matter. It is also helpful to organized various curricular and co-curricular activities through group activity. All faculty work as a mentor for students allotted to them. The student teacher must feel confidence in their mentors. This is the continuous process in the end of academic careers of the student teacher. The mentor provides an empathic year to student teacher concern. It helps to introduce stress management, techniques and acquiring more efficient study routines in the course. This system helped a lot to strengthen the personal relationship between students and teachers and students not only able to express their feelings, needs and came up with several issues as they can see a friend, mentor and counsellor in a teacher

The aim of the student teacher mentorship is -

- To enhance teacher student teacher relationship.
- It helps to council the student and interacts with them in one-to-one manner.
- It is helpful to guide student teacher to choose right career path in their future life.
- To monitor the student teachers for regularity and discipline. It is useful to improve the quality of life of student teachers in many respects.
- The IQAC has taken the initiative of implementing the mentoring of student teachers.
- Student teachers are based on the streams of studies and also according to their core subjects.
- They are divided in to 10 students in a group.

Mentoring is a professional relationship it is a process of the faculty to assist the student teachers to develop specific skills and knowledge. It provides the required guidance for student teacher in diary group for B.Ed. here the mentor tries to understand clarify the problems of student teacher. We conduct various culture and sports activity on the bases of this platform for the all-round development of student teacher.

Outcomes of the system:

- The attendance percentage of the student has increased to greater extend.
- The number of determination of student has decrease consistently.
- Due to direct communication between mentor and the students. There was good improvement in student teacher relationship.
