PLACEMENT CELL REPORT

The goal of Placement Cell of our institution is to provide prospective teachers with a platform for using their potential to gain valuable experience by working in schools. It also acts as the interface between various schools seeking effective teachers. All the B.Ed Students undergo practice teaching, internship & training. It is organized in various schools in surrounding areas. There are many reputed schools in which our students get trained. Its aims to provide job opportunities for the students for the students of our college in reputed institution and in turn supply quality teachers to the society. The placement cell is instrumental in placing the students in school and colleges by coordinating with various institutions.
