<u>REPORT OF INTERNSHIP PROGRAMME – 2022-23</u>

The school internship program is one of the key elements of the B.Ed course. It is also called the backbone of the course. In other words, school internship program is a type of program where the aspirant practices teaching in a school.

Before commencement of 4th Semester internship school programme need to take permission from the DDPI/BEO for school allotment. Head of the internship schools and senior teachers of the school invited for orientation programme of Internship programme, the principal of the college provide detail information regarding internship programme. As per norms and guidelines of the affiliated university, student teachers orientated for internship programme. Student Teachers have an Internship Programme of 52 days in fourth semester. In the first phase students are oriented to the internship programme. They are made aware of their responsibilities and duties during the internship. In internship the student teachers visit to different types of schools namely CBSE, Navodaya Vidyalayas, Morarji Desai School and Special Schools, DIET and BEO's office are arranged. During these visits students learn the objectives and functions of these schools and offices. They also write the report of these visits.

In the second Phase the student teachers allotted to visit to internship schools for Higher Primary Schools and Secondary Schools. Schools are assigned to the students by the Institution. A meeting of the heads of the Institutions and student teacher is held prior to Internship Programme. The Head of the Institutions are oriented to the responsibilities of student teachers and schools.

Students visit their schools prior to beginning their internship and interact with the Heads of the Institutions and collect their timetable and lessons. During the internship students teach unit plan, lesson plans, conduct unit test, diagnostic test and remedial teaching classes. Students organize co-curricular activities, a day of National significance, SUPW activity, a career guidance session, an Action research projects. Students maintain on a daily basis. This helps them to become aware of their own strengths and limitations. Thus gives them an insight into the challenges faced and the cherishing experiences. With the help of these reflections, they are able to monitor their own growth. At last student teacher's preparation and presentation of the report of the Internship. The internship programme ends with the viva-voce.
