LESSON TAUGHT TODAY / ಇಂದು ಕಲಿಸಿದ ವಿಷಯ :-

I. Before the Lesson Presentation :-

Today I have selected the chapter function from physical science subject for 8th std. I have prepared lesson plan and all the T.M's selected to the chapter for good presentation of chapter. So I am ready with all the necessary materials required for all the chapter to take class in 8th std.

II. During the Lesson Presentation :-

I entered 8th std class in a given time, that is allotted for me, with lesson plan and T.M's and charts which I have prepared for this chapter. As today is my first class, so I am slightly nervous to take the class and I tried to complete all parts of lesson as I decided within time. I was unable to complete all the lesson topic, but anyway, I completed the lesson plan selected to this chapter topic but I am not completely satisfied with it.

III. AFTER THE LESSON PRESENTATION

After completing today's class I come to know all the loop holes present in my lesson presentation and also found problems in using TLM's, blackboard etc and also with the management. So I am not satisfied with the class. So, I will look after the problems and try to do the next class in a better way.
