About H.K.E. Society

The Hyderabad Karnataka Education Society was established in the year 1958, with an objective of imparting higher education, especially in the Technical and Medical fields to this part of Karnataka, which was once part of erstwhile Hyderabad State.

The districts Kalaburagi, Bidar, Raichur and Yadgiri, comprising of Hyderabad Karnataka region are identified to be a backward part of Karnataka State.

The founding fathers of the Society rightly identified the need to accelerate the Social and Economic development through Educational advancement.

True to the spirit, today the Society runs 45 Educational institutions such as Medical, Engineering, Dental, Pharmacy, Homeopathic, Nursing, Law, Management, Education, Arts, Science, Commerce and Home Science including separate Women's College. The people of Hyderabad Karnataka loved and respected Shri. Mahadevappa Rampure for his pioneering services in the field of education to such an extent that they started calling him as 'Madan Mohan Malviya' of Hyderabad Karnataka area.

About Institution

Bidar, a part of Hyderabad Karnataka area, remained economically and educationally backward area inspite of having rich cultural background. Our founder President, Late Shri.Mahadevappa Rampure did a yeoman service by realizing this and started B.V.B. College, in the year 1960 to provide educational opportunities to the youth of this backward area and made their educational dream come true. People stopped going to Hyderabad or Gulbarga for higher education. He was a great visionary, the 52 acres of land purchased in 1960's is ample proof of his vision.

This College is named after the famous philanthropist Shri.B.V. Bhoomaraddi from Gadag. It marked a new era in Bidar's educational history.

The College is affiliated to Gulbarga University Kalaburagi. It offers Six Semester Degree Course in Arts, Science, Commerce and Computer Application. Apart from this College offers four semesters M.Sc. Course in Computer Science.

About FDP

The crisis is always paired with opportunities. And it's time to appreciate the full potential of technology to ensure continuity of learning by staying safe at home. Open-source digital learning solutions and Learning Management Software are the best platform for increasing the quality of teaching and learning. With the aim of equipping faculty members with required pedagogical skills and knowledge, B.V.Bhoomaraddi College of Arts, Science and Commerce Bidar has organized Six days faculty Development Programme on "MOODLE BASICS for Learning Management system in Collaboration with Ubercore Database Pvt.Ltd Bidar" from 05/05/2020 to 11/05/2020 during this COVID-19 outbreak.

Moodle is the world's most popular learning management system designed to be modular, and allows teachers to build their curriculum that they can display on their private website. Its highly customizable interface gives teachers or admins more freedom to design their websites according to their brand.
