REPORT ON WORLD BLOOD DONATION CAMP

H.K.E Society's Basaveshwar college of Education, Bidar in collaboration with District Govt. Hospital Bidar jointly organized the Blood Donation day on 22-09-2022 through which blood was donated by both students and the staff members of our college. It is a way of gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces blood shortage units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our students brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

The H.K.E. Society's Basaveshwar College of Education, Bidar and Bidar Fire Station, Bidar has jointly organized FIRE AWARENESS AND PREVENTION DAY Program was held on 23/05/2021, Chief guest of the programme Sri Mujamil Patel, Fire Department inaugurated the programme and said that, Fire safety awareness means analysing the possible risks of fire in your vicinity and taking preventive measures to ensure minimum damage and safe exit of all the person exposed to fire.

- One of the major steps towards fire safety awareness is recognizing the basic properties of fire. To prevent the fire, keeping the sources of fuel and ignition apart.
- Adequate fire safety awareness not only helps in protecting oneself from fire-related hazards but can also prove beneficial for protecting those who are not able to help themselves.
- Ensure proper fire safety equipment is installed. With proper safety awareness, you can help in safe evacuation and it could be beneficial in putting out the fire.
- Fire safety awareness also involves learning how to operate various fire safety equipment such as smoke alarms, fire extinguisher and sprinklers.

The Principal of the college Presided, and the programme end with vote of thanks.

The Department of Youth Affairs, Ministry of Youth Affairs and Sports organized 'Clean India' programme from 1st October to 31st October 2021 to create an overall awareness regarding the collection of waste, mainly single use plastic waste and traditional water resources. We appreciate the ministry's sincere efforts behind this programme which has given us a chance to participate in the vision of 'Clean India'.

The H.K.E. Society's Basaveshwar College of Education, Bidar collaboration with Indian Red Cross Society, Bidar jointly organized a Clean India Programme on 21-10-2021. The chief guest of the programme Dr. Vidya Patil, Asst. Professor, Govt. First Grade Women's Degree College, Bidar said that, to start with, our team conducted few brainstorming and idea-pooling sessions to draft a complete schedule of activities. So, that the idea of 'Clean India' gets delivered in a more creative manner. The importance of hygiene and its dire need in the backdrop of the pandemic COVID-19, then demonstrated the correct use of the common tools for hygiene and the proper techniques of its usage. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Basaveshwara College of education Bidar Faculty members and students are attending the National Toilet day on date 19-11-2018 At Nehru stadium Bidar, Which the program is organised by Dist. Administration Bidar. Bidar Dist. MP Shree Bhagavant Khubha Sir, is inaugurated The National Toilet day Program and the Guest of this program MLA Shree Raheem Khan Sir, These efforts acknowledge that in a country where open defecation is culturally ingrained, the provision of infrastructure only goes so far. evidence programme Promoting Latrine Use in Rural India has demonstrated that having a latrine is not the same as using that latrine. The adoption of the behaviour of latrine use requires both opportunity and desire. Although the SBM has made significant headway on the former, there remains the potential to increase the behaviour of latrine use among those with latrines

As a part of curriculum, students from our college visited Aashakiran Blind School, Markhal, Janwada Road, Bidar. On 03/12/2021. Head mistress of school for giving us opportunity to experiences the life of visually challenged students.

OBJECTIVES OF THE VISIT:

- To make student aware of the challenges faced by the especially able persons.
- To understand the various methods or techniques of learning among visually challenged people
- To realizing the importance of education in empowering the visually challenged.
- To gain a better understanding of how Braille invention has impacted the world of Blind school.

This is a co-educational School that offers an inclusive model of education where both Blind and sighted study together. We follow state board syllabus and is recognized up to class 8. They also give training in music, home Science and basic computer skills to student. Students continue to stay and attend a regular school in for their secondary and higher secondary education with the technical support of special teachers. The students are honoured with various certificates and awards in different activities like painting, singing etc. After passing out from class, the students go for graduation and then post-graduation from local colleges, with the support of teachers and volunteers.

The school is also provide pre-vocational skills to their students after school, in chair caning, basket making, and hand knitting. The hand knitted garments turns out to be a very high standard, and forms part of the income of the school.

Along with academics they also participate in indoor and outdoor games, take them for picnics, educational tours, outings, hiking, sightseeing and visit places of importance. They also take part in different meetings, National festivals and school functions. On Children's day the students have participated at the state level painting competition and won awards.

They also have a well-equipped low vision centre where many teachers from the Government and Non-government organizations visit to get hands on experience. Many teachers, optometrists and other eye care professionals who were trained in functional low vision at School are working at their respective places both in India and abroad. The students are clinically assed to see if anything can be done to improve their vision. As a result eye surgeries are done so far and quality of their life was improved. Each student is functionally assed to see which learning media they can work with (Braille/ Print or Both) though legally Blind, many students can read and write in print.

We along with our classmates organize a school health programme for the visually challenged student of the blind school. We also interact with each and every visually challenged student out there. We educate them regarding Hand Hygiene. All the student of the blind school shows their massive participation in hand hygiene programme.

We with the help of all our classmates arrange some contribution from our side for visually challenged students. We distributed sweets and chocolates to them.

It was a wonderful experience and it made all of us to realize that simple invention like Braille can make a world of differences to the people who need it and the things we learn from the visit are:-

- Discipline
- Hunger to learn
- Life is challenge, fight with your fiasco
- Respect for everyone
- Stay happy in any circumstances
- Everyone should have strong willpower to go far in life
