CLEAN INDIA PROGRAMME

The Department of Youth Affairs, Ministry of Youth Affairs and Sports organized 'Clean India' programme from 1st October to 31st October 2021 to create an overall awareness regarding the collection of waste, mainly single use plastic waste and traditional water resources. We appreciate the ministry's sincere efforts behind this programme which has given us a chance to participate in the vision of 'Clean India'.

The H.K.E. Society's Basaveshwar College of Education, Bidar collaboration with Indian Red Cross Society, Bidar jointly organized a Clean India Programme on 21-10-2021. The chief guest of the programme Dr. Vidya Patil, Asst. Professor, Govt. First Grade Women's Degree College, Bidar said that, to start with, our team conducted few brainstorming and idea-pooling sessions to draft a complete schedule of activities. So, that the idea of 'Clean India' gets delivered in a more creative manner. The importance of hygiene and its dire need in the backdrop of the pandemic COVID-19, then demonstrated the correct use of the common tools for hygiene and the proper techniques of its usage. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

NATIONAL TOILET DAY

Basaveshwara College of education Bidar Faculty members and students are attending the National Toilet day on date 19-11-2018 At Nehru stadium Bidar, Which the program is organised by Dist. Administration Bidar. Bidar Dist. MP Shree Bhagavant Khubha Sir, is inaugurated The National Toilet day Program and the Guest of this program MLA Shree Raheem Khan Sir, These efforts acknowledge that in a country where open defecation is culturally ingrained, the provision of infrastructure only goes so far.evidence programme Promoting Latrine Use in Rural India has demonstrated that having a latrine is not the same as using that latrine. The adoption of the behaviour of latrine use requires both opportunity and desire. Although the SBM has made significant headway on the former, there remains the potential to increase the behaviour of latrine use among those with latrines

REPORT ON WORLD BLOOD DONATION CAMP

H.K.E Society's Basaveshwar college of Education, Bidar in collaboration with District Govt. Hospital Bidar jointly organized the Blood Donation day on 22-09-2022 through which blood was donated by both students and the staff members of our college. It is a way of gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces blood shortage units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our students brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

The H.K.E. Society's Basaveshwar College of Education, Bidar and Bidar Fire Station, Bidar has jointly organized FIRE AWARENESS AND PREVENTION DAY Program was held on 23/05/2021, Chief guest of the programme Sri Mujamil Patel, Fire Department inaugurated the programme and said that, Fire safety awareness means analysing the possible risks of fire in your vicinity and taking preventive measures to ensure minimum damage and safe exit of all the person exposed to fire.

- One of the major steps towards fire safety awareness is recognizing the basic properties of fire. To prevent the fire, keeping the sources of fuel and ignition apart.
- Adequate fire safety awareness not only helps in protecting oneself from fire-related hazards but can also prove beneficial for protecting those who are not able to help themselves.
- Ensure proper fire safety equipment is installed. With proper safety awareness, you can help in safe evacuation and it could be beneficial in putting out the fire.
- Fire safety awareness also involves learning how to operate various fire safety equipment such as smoke alarms, fire extinguisher and sprinklers.

The Principal of the college Presided, and the programme end with vote of thanks.

REPORT ON COVID - 19 TESTING DRIVE

As the District Commissioner, Health & Family Welfare Department Bidar has made RT-PCR test compulsory for students, teaching & non-teaching staff. The H.K.E. Society's Basaveshwar College of Education, Bidar and District Govt. Hospital Bidar jointly conducted Covid 19 test drive at its campus on 19/11/2020. The Covid 19 test drive was initiated by registering the names with the concerned portal by Government of Karnataka. After receiving the OTP, the nasal and throat swab sample of the concerned members were taken for further testing process, the results reported negative for all.

The college follows strict protocol in the interest of students and staff. The final year students were asked to attend offline classes after producing the Covid 19 negative report and declaration from their parents at the time of joining the college. The entire building, furniture's, entry point, laboratories and teaching equipment's were sanitized before the commencement of offline classes. All students were informed to strictly wear face masks and maintain social distancing. They were asked to bring food and hot water from home and not to share with other & to take all precautions while travelling in view of Covid 19 pandemic.

In charge Director Dr.Satish Patil Mudabi has given a brief information about COVID-19 testing plays a critical role in the fight against the virus. The purpose of a Covid-19 test is to determine if you have the virus that causes the disease. It can be used to diagnose an infection, track the spread of the virus, and help public health officials develop containment and treatment strategies. To ensure early identification of cases among students and staff in order to conduct contact tracing and initiate prevention and control measures, thereby reducing further transmission. To identify infection in students and staff at high risk of developing severe disease due to underlying conditions. To support investigations and studies concerning the role of children in the transmission of COVID-19.

REPORT BLOOD VERIFICATION CAMP

On 04 June 2018 in our college District Government Hospital Bidar (BRIMS).. Organised "BLOOD VERIFICATION CAMP" on 04 June 2019 at 11.00 am. District Government Blood Bank Officer has given a brief information about blood group test is a simple and easy method of determining your unique blood type. Although blood contains the same components, there are different blood types. Depending on the genes your parents have passed down to you, you have one of eight distinct blood groups. These eight blood groups are A positive, A negative, B positive, B negative, AB positive, AB negative, O positive and O negative. A blood group test uses the antigen-antibody method to get your test result. A complete blood count (CBC) is a blood test. It's used to look at overall health and find a wide range of conditions, including anaemia, infection and leukaemia. A complete blood count test measures the following: Red blood cells, which carry oxygen. All the staff and students are verified their blood groups.

Objective of the Practice:

- Enabling the student-teacher to internalize the role of the teacher as a facilitator of learning, classroom manager, recourse immobilizer, and innovator.
- Developing professional capacities, teacher sensibilities, and sustained engagement of student-teachers with learners and schools.
- Student-teacher as an evaluator of learner performance, planner and organizer of other curricular activities, mentor and counsellor for students.
- Revealing the student-teacher to multicultural contexts of the society which influence the school environment and its functioning
- Validating the theoretical understanding of the student-teachers developed through various perspective and pedagogic courses.
- Service provider for the community and parents, developer and evaluator of curriculum textbooks and other TLMs, etc.

The Context:

The school internship program is one of the key elements of the B.Ed course. It is also called the backbone of the course. In other words, school internship program is a type of program where the aspirant practices teaching in a school. Every B.Ed aspirant must attend the school internship programme in order to get real-life experience with students. School Internship has been one of the key factors for teaching colleges and universities. Equipping the student-teacher with required skills and competencies to cater to the diverse needs of the learners in School.

Student Teachers have an Internship Programme of 2 weeks in first and third semester and 14weeks in fourth semester. In the first phase students are oriented to the internship programme. They are made aware of their responsibilities and duties during the internship. In 4 weeks of internship the student teachers visit to different types of schools namely CBSE, Navodaya Vidyalayas, Morarji Desai School and Special School, the DIET and BEO's office are arranged. During these visits students learn the objectives and functions of these schools and offices. They also write the report of these visits.

In the second Phase the student teachers allotted to visit to internship schools for 6 weeks in higher primary schools and secondary schools. Schools are assigned to the students by the Institution.

Students visit their schools prior to beginning their internship and interact with the Heads of the Institutions and mentor teachers and collect their timetable and lessons. The Internship programme is monitored by the faculty of the college. During the internship students teach minimum 20 lesson plan based lessons, innovative lesson plan, 5E model lessons, conduct unit test, diagnostic test and remedial teaching classes. They observe the lessons of their mentor teachers and peers. Students organize co-curricular activities, a day of National significance, SUPW activity, a career guidance session, an Action research projects. Students maintain an on a daily basis. This helps them to become aware of their own strengths and limitations. Thus gives them an insight into the challenges faced and the cherishing experiences. At last the preparation and presentation of the report of the Internship. The internship programme ends with the viva-voce and term end examination.

The Practice : Before commencement of 4th Semester internship school programme need to take permission from the DDPI/BEO for school allotment. The principal of the college provide detail information regarding internship programme. As per norms and guidelines of the affiliated university student teachers orientated for internship programme. The regular practice of the internship school is as follows :

Morning Assembly: The student-teachers shall attend morning assembly on regular basis. They are also to address the assembly at various topics like moral education, profile of great personalities, health and hygiene habit, current affairs etc.

Classroom Activities: The student-teachers shall observe the classroom management system of the school. They will also take classes on their own pedagogy subjects. For this they are to prepare lesson plans (10 for each pedagogy subject during the internship period).

Developing teaching aids: The student-teachers shall develop various innovative teaching-aids depending upon the subject matter and level of the students.

Formative evaluation: The student-teachers shall conduct at least two tests, one at the beginning and one at the end of the internship period on a particular subject taught. For this they have also to prepare the blue print and the question paper both. This will also help them if they undertake Action Research.

Counseling of exceptional children: From the classroom observation or with the help of the formative evaluation the student-teachers shall find out the exceptional or special children and then make arrangement for counseling sessions.

Helping in organizing co-curricular activities: The student-teachers will try to organize co-curricular activities among the students with due permission from the Head of the institution. All the CCA's may not be possible during the period of internship, so they must try to organize at least quiz, debating etc.

PTA/SDMC Meeting: The student-teachers shall attend Parent-Teacher Association meeting if such meetings are held during internship.

Maintenance of hygiene: The student-teachers are required to check whether their students are maintaining hygiene like cleanliness of nails, teeth, cloths etc.

Observation of festival: The student-teachers will participate in any festival which may be held during their internship period.

An Action Research: The student-teachers shall be required to undertake either A Case Study or an Action Research during the internship period.

Preparing ICT based lesson and integrated lesson presentations in each pedagogy in both sessions.

Evidence of Success –

During the internship programme the student teachers are able to get proficiency in

- Maintenance of school diary.
- Analysis of syllabus & text book of a particular class.
- Writing of lesson plans (Total: 20, 10 for each pedagogy subject)
- An Action Research.
- The student-teacher will prepare and administer two achievement tests, one at the beginning and one at the end of the internship period on a particular subject taught. For this the student-teacher has to prepare the blue print and the question paper both and understand the evaluation pattern.
- Develop organization of events, classroom management and leadership skills in internship programme.
- Observation of supervision and monitoring system of the school:
 - a) Prayer & assembly
